I have known Richard Blazyca since 1993 and he has completed a fair body of work in my house. He is a very skilled artisan and he specialises in various paint finishes as well as paper hanging. In my reception room he amalgamated drag finish, stippling and a very subtle chamois rag-roll to some wall panels to great effect.

The refurbishment programme was carried out smoothly and reasonably on time, always clean tidy and with all his trade background leaves a first class job every time.

I would have no hesitation in recommending Richard and I am thankful for all he has done.
